Mohammad Awais Hanif

Security Operations Manager | Traffic access and logistics security

Bristol | 07350 900 233 | mohammadawaishanif@gmail.com

Security and access manager with ten years of experience supervising gatehouses, delivery screening and safe vehicle movements on private premises. Coordinates security teams with site logistics managers to protect pedestrians and maintain controlled access. Experienced in deployment planning, inspections and operational incident reviews.

CAREER TIMELINE

Apr 2022 - Present

Security and Access Operations Manager

Wilson James | Bristol

• Lead four supervisors and 38 officers across three fictional Bristol sites, coordinating gatehouse coverage and delivery peaks with logistics teams.

• Approve duty rosters and qualified relief cover; review access permissions, visitor arrangements and emergency vehicle routes.

• Assess vehicle-pedestrian conflict points and implement approved holding areas and crossing procedures on private premises.

• Investigate access breaches and near misses; track corrective actions and present monthly risk, service and resource reports to clients and the director.

Feb 2019 - Mar 2022

Gatehouse and Traffic Security Supervisor

Wilson James | Bristol

• Supervised 16 officers across vehicle gates and pedestrian entrances, checking contractor documentation and shift handovers.

• Revised delivery-slot briefings and holding-area checks, reducing logged gate queues exceeding 20 minutes by 25% over six months.

• Coordinated responses to blocked access routes and escalated incidents under the site emergency plan.

Jun 2016 - Jan 2019

Senior Security Officer

Wilson James | Bristol

• Allocated gatehouse duties, maintained vehicle entry logs and inspected perimeter access points.

• Mentored new officers in search procedures, respectful communication and accurate exception reporting.

CAPABILITIES
