Personal Statement

I am a hardworking, honest and flexible individual eager to start my working career and ready to broaden my skills, experience and people interaction outside of school. Through jobs, sports and after school projects I have enjoyed working with others, but I have also the ability to work on my own and am motivated by achieving targets.

Key Skills

- Coding

Work experience

Sutton Trust Pathways to Consulting workshop
This included online workshops teaching various employability skills specific to consulting such as Problem solving, Communication, Data analysis and visualisation, Work Experience and included a 3-5 day long work placement which included Managing a project (e.g. presentation), Taking part in employability skill masterclasses on communications or excel, Attending panel sessions, Networking with professionals

Springpod tv and film work experience
This included a look into the pre, current and postproduction in the making of a film or tv show. This also included activities such as studying TV and film scenes, creating a shot list which needed me to draw and design a scene for a film or tv show step by step to be used in the production process and designing and creating a film poster.

Broadstreet Academicals RFC
When playing for this university team in the second year I was voted to be the clubs media and communications secretary where I was responsible for the teams social media post running their page and creating content for their socials, I was also responsible for in club communication making sure the team knew about plans and events and was responsible for the communication in-between different university societies to plan and coordinate different events and design needs

Hobbies & Interests

I played for Coventry University Rugby club where in my second season I was the clubs media and communications secretary
I am currently playing for the Coventry Welsh RFC where I play firsts and seconds team mixing and working with a lot of different people on a weekly basis
I had also previously play for the Coventry Welsh and Pinley Reds Colts rugby team in which had I was nominated as vice-captain by the team's captain and coaches.
I like to watch movies like action, Sci-Fi and superhero genres to relax.
