DESIGN & DEVELOPMENT EXPERIENCE

Front-End Designer & Web Designer | Triumph Strides Hub Collaboration Project

Surrey / Remote, BC | Mar 2026 - May 2026

- Designed responsive interface layouts, UI structures, and visual systems for a connected digital platform.
- Translated design concepts into clean web interface components using modern front-end design practices.
- Supported user flow, layout hierarchy, responsive design direction, and brand consistency across digital screens.
- Collaborated on the visual identity and front-end direction to create a more polished, usable web experience.

Visual Communication & Digital Design Intern | BC Recreation & Parks Association (BCRPA)

Vancouver, BC | Jan 2026 - Mar 2026 | 300-hour practicum placement

- Created digital and print communication assets for BCRPA's refreshed brand and Symposium, applying consistent typography, layout systems, colour standards, and production guidelines.
- Developed reusable visual templates, digital banners, event graphics, and branded communication materials across multiple touchpoints.
- Worked within brand guidelines and feedback cycles to refine layouts, improve clarity, and prepare polished deliverables for real organizational use.
- Supported the translation of a refreshed visual identity into practical digital and event-facing design assets for recreation, parks, health, education, and conference audiences.

VOLUNTEER & TECHNICAL EXPERIENCE

Volunteer Web Systems & Media Designer | Winners Chapel International Vancouver

Vancouver, BC | Jan 2024 - Dec 2025

- Created recurring digital communication assets, interface graphics, and online visual materials for weekly services, events, announcements, and outreach.
- Maintained consistent visual hierarchy, layout clarity, and brand presentation across fast-turnaround digital design needs.

EDUCATION

Diploma, New Media Design & Web Development | British Columbia Institute of Technology (BCIT) | Burnaby / Vancouver, BC | Completed Mar 2026 | Graduated with Honours
