I. MOHITH

Sr. Video Editor | Pre- & Post-Production Manager

PROFESSIONAL SUMMARY

Creative and detail-oriented Production Manager with 3+ years of experience in complete pre-production and post-production workflows. Skilled in content planning, shoot coordination, videography, video editing, motion graphics, colour correction, sound design, visual storytelling, and final content delivery.

Experienced in producing promotional videos, social media reels, YouTube content, healthcare awareness videos, interviews, testimonials, and corporate films. Strong ability to manage multiple projects, maintain brand consistency, coordinate with cross-functional teams, and deliver quality content within deadlines.

PROFESSIONAL EXPERIENCE

Production Manager

Omega Hospitals | 2 Years | Present

- Lead a four-member production team and manage project allocation, shoot planning, editing workflows, reviews, revisions, and final delivery.
- Plan and coordinate video shoots, interviews, testimonials, promotional campaigns, and healthcare awareness content.
- Review creative quality, technical accuracy, visual consistency, and brand standards before publication.
- Coordinate with doctors, writers, designers, editors, marketing teams, and management to execute content requirements.
- Produce and supervise content for social media, YouTube, corporate communication, and digital campaigns while ensuring timely delivery.

Video Editor

REGTV YouTube Channel | 1 Year

- Edited YouTube videos and promotional content using footage, graphics, music, sound effects, and strong narrative pacing.
- Collaborated with the content team to improve storytelling, consistency, and audience engagement.

Video Editor & Graphic Designer

Rfactory Production House | 8 Months

- Edited promotional and social media videos; designed thumbnails, posters, and digital creatives.
- Handled motion graphics, colour correction, audio enhancement, and client-focused project delivery.

Video Editor

Popular Studios | 3 Months

- Converted raw footage into polished content through footage selection, transitions, audio synchronisation, and final exports.
