SUMMARY

Web Developer experienced in designing, developing, and maintaining responsive websites using HTML5, CSS3, JavaScript, PHP, and WordPress. Skilled in creating user-focused web experiences, implementing custom UI solutions, optimizing website performance, and translating business requirements into functional websites. Experienced collaborating with cross-functional teams to deliver accessible, responsive, and visually consistent web solutions.

EXPERIENCE

WordPress Developer

Dec 2025 – Present

Vosyn, Canada

- Developed **6** new WordPress pages and enhanced **20+** existing pages across **3** corporate websites using PHP, JavaScript, HTML5, CSS3, and Avada Builder.
- Led a **4-member** Product Experience team, assigning tasks, reviewing **30+** code changes, and ensuring timely Agile sprint delivery.
- Collaborated with **10+** cross-functional stakeholders across Product, Design, Marketing, and Engineering to translate requirements into responsive web solutions.
- Implemented custom CSS and JavaScript solutions to improve website functionality, responsiveness, and visual consistency across devices.
- Diagnosed and resolved **50+** WordPress, PHP, JavaScript, CSS, and plugin-related issues, improving website reliability and user experience.

Full Stack Developer

Jan 2023 – Mar 2024

DevTown, India

- Developed **3+ full-stack applications** using React, TypeScript, Node.js, and RESTful APIs with focus on responsive user interfaces and functional workflows.
- Built reusable frontend components and integrated APIs to deliver dynamic web features and improve application usability.
- Delivered **12+ production-ready features** through Agile development cycles while maintaining clean, maintainable code.

PROJECTS

EventEase — Web Booking Platform

- Developed a full-stack booking platform using React, Node.js, Express, and MongoDB supporting complete user workflows.
- Designed responsive interfaces and reusable components focused on usability across different devices.
- Created REST APIs for authentication, booking operations, and data management.

EDUCATION

Postgraduate Certificate, Full Stack Software Development

2024 – 2026

Lambton College, Canada

Dean's Honour List GPA: 3.839

Bachelor of Science, Computer Science

2020 – 2023

Sardar Patel University, India

CGPA: 8.0 2× Gold Medal
