Vanetta Ludivine Mbûntho Yatchou

WEB DEVELOPER

Email : vanetttambuntho@yahoo.com
Number : (438) 686-0282

Recent Information Technology graduate with hands-on experience in web development through academic projects and a professional internship. I enjoy building user-friendly websites, solving problems, and turning ideas into functional web experiences. I am comfortable working independently and as part of a team, and I am looking for an opportunity to continue improving my skills while contributing to real-world web projects.

Professional Summary

Web Development Intern (Tevnar IT Group Corp) | 03/2026 - 05/2026

- Developed and improved features within an existing ASP.NET Web Forms application.
- Worked on multiple application modules, including Volunteer, Events, Chat, Incident, and Attendance.
- Conducted functional analysis to understand requirements and determine appropriate technical improvements.
- Improved user interface functionality, navigation, redirects, and dynamic content across the application.
- Implemented multilingual functionality to support content in different languages.
- Participated in functional reviews and collaborated with team members in an Agile development environment.

Sales Associate : Top Discount | May 2025 – Present

- Provide customer service and assist customers with purchases and inquiries.
- Handle cash register transactions while helping maintain an organized store environment.

Sales Associate : Épicerie Africaine RivSud | October 2022 – April 2025

- Provided customer service in person and over the phone while handling transactions.
- Maintained store organization and created promotional materials, including flyers and posters.
