ABOUT ME

Graphic Design graduate with experience creating engaging digital, social and marketing content. Skilled in Adobe Illustrator, Photoshop and InDesign, with strengths in branding, visual identity and concept development. I am a creative and collaborative designer who enjoys transforming ideas into thoughtful, purposeful visual solutions.

Through my design experience, I've developed strong skills in working from creative briefs, collaborating with teams and refining concepts through feedback. I'm adaptable, organised and eager to continue developing my skills within a creative design team.
